

Answer each of the 10 questions and calculate your Ransomware Risk Score (i.e. risk of suffering a damaging ransomware attack.)

	YES	NO
1. Do you have a control to identify vulnerabilities in Internet-facing IT assets on an ongoing basis?	<input type="checkbox"/> +10	<input type="checkbox"/> +0
2. Do you have a policy that requires patching of high-risk vulnerabilities within 24 hours or a workaround?	<input type="checkbox"/> +10	<input type="checkbox"/> +0
3. Do you have a secure desktop build and separate server permissions policy?	<input type="checkbox"/> +10	<input type="checkbox"/> +0
4. Do you segregate and control privileged users passwords?	<input type="checkbox"/> +10	<input type="checkbox"/> +0
5. Do you require multi-factor authentication for all privileged users and for all employees with access to sensitive data?	<input type="checkbox"/> +10	<input type="checkbox"/> +0
6. Do you regularly test your employees with simulated phishing attacks and provide remedial training to raise awareness?	<input type="checkbox"/> +10	<input type="checkbox"/> +0
7. Do you provide quarterly training to all your employees to recognize latest phishing red flags and a suspicious activity reporting mechanism?	<input type="checkbox"/> +10	<input type="checkbox"/> +0
8. Do you have a written incident response plan <u>and</u> is it tested periodically?	<input type="checkbox"/> +10	<input type="checkbox"/> +0
9. Does your incident response plan specifically cover ransomware to detect and respond to and is it periodically tested for a ransomware scenario?	<input type="checkbox"/> +10	<input type="checkbox"/> +0
10. Is <u>all</u> your sensitive data backed up daily and stored offline and encrypted?	<input type="checkbox"/> +10	<input type="checkbox"/> +0

Note: This Worksheet will not calculate, you will need to count the total points under YES for your Score. Each YES Answer is 10 points and each NO answer is zero points.

RANSOMWARE RISK SCORE RESULTS

Register to watch our **complimentary CyberCatch educational webinar on Ransomware**. In the recording, our panel of experts will provide explanations for each question so you will be able to generate an accurate score and identify your risk mitigation plan.
